SPECIALISTS IN WEDDING PHOTOGRAPHY

AS FEATURED ON RTE NATIONWIDE WEDDING SPECIAL

I offer a full wedding photography service, there are a variety of packages to choose from and each can be tailored to meet your particular requirements. If you have other requirements, please do not hesitate to contact me.

My wedding style is to be unobtrusive on your special day and to capture the moments that will last forever. I capture the formal moments as well as the informal.

All packages include a pre-wedding meeting where we can get to know each other, decide on the style of photography that you want, any significant images or moments which you want captured and, on which package best suits you.

All packages can be upgraded.

Upon receipt of your deposit of €300, I will confirm your booking.

Both Church and Civil Ceremony Weddings are catered for.
